

The red squirrel trail

With red squirrels making a return to Loch Lomond, we've created a red squirrel sign trail with 15 signs dotted around our promotory area.

So, your mission is to find all 14 of these numbered wooden signs that are located in the trees. You shouldn't have to go off the path to find these but will need very good eye sight so good luck!

Tick the signs off as you go below:

1	8
2	9
3	10
4	11
5	12
6	13
7	14
